Customer Reviews

This is a truly informative tax guide especially for business owners. It's packed with everything you'll need to make the best plans for saving on taxes. A solid investment for years to come!

Anything Eva writes is gospel. She is the best. Loved the book.

Awesome book for beginning a business!

Great resource for understanding tax law for small businesses, recognizing usable business deductions and for organizing the records detail for preparing your business return. Clear, well organized information from a well regarded authority on Tax Instruction.

I really enjoyed Eva's other book and bought this one as soon as it came out. I really like the direct way she writes and the tips she gives. No gobble-de-gook. She makes taxes understandable.

This book is very informative!! I love the delivery and it's simple to follow. Thank you
