# DIY Fidget Spinners, How To Make Fidget Spinner Toys At Home

## Synopsis

Are you trying to make your own spinner fidget toys? If so, then this book is definitely for you. This book contains 3 projects using different types of materials and a variety of spinner types for the beginner to get started making their own spinner toys. To make it easy we included a resource guide on where to get the materials and design plans for you to start making your own spinners. Making your own fidget spinner toy is a fun activity and you can tell your friends you made it yourself. Some teenagers are even selling their spinners online and making money selling their original designs to friends. Thanks for downloading this book and we hope you enjoy making your first spinner fidget toy. Learn everything from how to create a great design to proper placement of the weights to how to cut out the spinner body and select the best and fastest bearings. Warning: Fidget Spinner Toys can contain small parts and are not appropriate for small children. Do not put spinners or spinner parts in your mouth. You can also download free designs off our website at <http://DIYFidgetSpinners.com> and we have tons of support videos on our Youtube channel DIY Fidget Spinners <https://www.youtube.com/channel/UCiXMZJmIIHsBXlufCOeLC1w> and our DIY Fidget Spinner Community is on Facebook at <https://www.facebook.com/DIYFidgetSpinners>
