# 15 Easy Jazz, Blues & Funk Etudes: B-Flat Trumpet And Clarinet (Instrumental Series)

## Synopsis

Written for a wide variety of musicians, 15 Easy Jazz, Blues & Funk Etudes will appeal to both aspiring players and to more experienced musicians. For the younger player, particular care is given to range, rhythmic figures and overall playability. The more accomplished musician will appreciate the high level of musicality, the lyrical compositions and the opportunities to improvise. Either way, the format is simple: Bob Mintzer plays and demonstrates each etude with a stellar rhythm section on the included CD. You learn each etude slowly. When ready, you play the etude with the CD accompaniment.

## Customer Reviews

Glad to find this available..I have the advanced edition in high school but it was too difficult. This one is just right. These play along books with backing CD make me sound like a pro, especially at 3am! Neighbors love it!

Great practice material for any one from 10 to a 110. As a public schoolteacher I had 10 year olds playing the "crap" out of these tunes

Picked up the trumpet again after almost 20 years. I love playing jazz, so this has been a great resource to get the chops and confidence back. Great for sight reading and the demo track helps for

style and articulation. I play in a jazz band, but I am still using these for daily warm ups and to help with ear training.
