I Prayed For Me: Guided By God

Synopsis

In this book, Alice VL writes about the incredible journey her soul undertook to find the answers that were plaguing her every thought as a child, and later, overwhelmed her as an adult. She describes her desperate search for answers during an anger phase that was untaught to her from the circumstances she reluctantly found herself in. Her torment and agony as a child led her to question all that she thought she knew and believed to be true as she began to pay attention to "the little voice inside." Her story about apprehension and acceptance come from a wise and precious soul which will touch yours too. It may be that you too, are asking these haunting questions. You too, might be searching for a way out of a spiritual ambush.
