Ã¢â ¬Å“This is the kind of cookbook I love to curl up with at night. ShellyÃ¢â ¬â„¢s recipes and ideas are so fun and creative!Ã¢â ¬Â• (Gina Homolka, author of The Skinnytaste Cookbook)"All the treats you need to make your cookie jar sing!" (Joy Wilson, author of Joy the Baker: Homemade

Decadence)Ã¢â ¬Å“Shelly’s signature genius creativity for mouth watering breakfast treats, easy family-friendly dinners, and indulgent desserts shines through in her new cookbook! Packed with photos for each recipe, she teaches us that food should always be approachable and fun, and dessert should definitely come first. Somehow she always knows just what you’rein the mood for, be it warm brown sugar cinnamon bread, a huge slice of toffee banana cream pie, or a plate packed with ranch-style mac & cheese.Ã¢â ¬Â• (Sally McKenney, owner of Sally’s Baking Addiction)"The Cookies and Cups Cookbook is my new go-to book for every decadent dessert imaginable. I was instantly hooked with one peek at the Hot Fudge Sundae Cake. ItÃ¢â ¬â„¢s like Shelly is inside my head, coming up with every fabulous flavor combination that I never even knew that I wanted! This book will live in my kitchen until the pages are splattered with melted butter and drizzled in chocolate." (Jessica Merchant, author of Seriously Delish)"Jaronsky, the creator of the website Cookies & Cups, presents over 125 selections with sweets in the front... Basics such as chocolate chip cookies and an all-butter pie dough are offset with her unique throw-caution-to-the-wind selections such as Junk Food Marshmallow Squares (complete with potato chips) and Fruity Pebbles Cake... This is a fun selection and one for which it’s probably best not to include the nutritional breakdown." (Publishers Weekly)"The Cookies and Cups Cookbook is a joyous celebration of easy-to-make, over-the-top treats. These recipes are perfect for bake sales, sleepovers, or special gatherings...If you like decadent desserts that arenÃ¢â ¬â„¢t hard to make, this is the cookbook for you." (Powells.com)

Since Shelly Jaronsky launched her beloved websiteÃ Â Cookies & Cups in 2008, her innovative and delightful recipes have established her as one of the premier dessert blogs in the virtual space.Ã Â The Cookies & Cups CookbookÃ Â is her first book. She lives in New Jersey with her husband and four sons.

So excited one of my favorite food bloggers came out with this book! We’ve tried lots of recipes so far and they are delicious! Also I love the commentary and photos with each recipe. You’ll love this one!

The recipes are delicious! An excellent addition to any baker’s kitchen. The recipes of the book are great, however, the binding on the book is already coming apart. I have had it less than 6 months and have already had to tape several pages in due to them falling out. I love the cookbook and use it, unfortunately, because of that, the pages keep falling out.

Perfect

I follow this author on Facebook and was really looking forward to this cookbook coming out. It did not disappoint. It is beautiful with easy to follow and enticing recipes. It's a dream book for anyone who loves to bake or those who just love looking at cookbooks. I highly recommend it.

I've been following Shelly Jaronsky's blog for several years, so it was a no-brainer to buy her cookbook. I'm an avid baker and cook and many of my favorite recipes are from Shelly's blog, Cookies & Cups. She is incredibly creative when it comes to baking and one look inside her cookbook proves it. She also has several recipes that are not sweets and desserts and they are also delicious! My favorite savory dish is her Garlic Bread Pasta... Try it and you'll see why, so yummy!! This is my new favorite baking cookbook and I plan on working my way through the entire cookbook. Buy it... You won't be sorry! Shelly's writing style has a way of putting you at ease immediately and encouraging you to try something new.

So many good looking recipes in this book. I made the banana bread. The best banana bread I ever made.

I bought this as a birthday gift for my daughter, who reports that she loves it. Although I didn't know this when I bought it, the book isn't only about sweets; there are a number of main-dish recipes that my daughter has really enjoyed.

I started out receiving Cookies and Cups emails. I was so excited to see there was going to be a cookbook. The recipes never disappoint :)
