The Egyptian Book Of The Dead : The Book Of Coming Forth By Day

Synopsis

This book is a new original translation of the Ancient Egyptian Book of the Dead based on surviving papyri from Ancient Egypt "I Know myself, I know myself, I am One With God!-From the Pert Em Heru "The Ru Pert em Heru" or "Ancient Egyptian Book of The Dead," or "Book of Coming Forth By Day" as it is more popularly known, has fascinated the world since the successful translation of Ancient Egyptian hieroglyphic scripture over 150 years ago. The astonishing writings in it reveal that the Ancient Egyptians believed in life after death and in an ultimate destiny to discover the Divine. The elegance and aesthetic beauty of the hieroglyphic text itself has inspired many to see it as an art form in and of itself. But is there more to it than that? Did the Ancient Egyptian wisdom contain more than just aphorisms and hopes of eternal life beyond death? In this volume Dr. Muata Ashby, the author of over 25 books on Ancient Egyptian Yoga Philosophy has produced a new translation of the original texts which uncovers a mystical teaching underlying the sayings and rituals instituted by the Ancient Egyptian Sages and Saints. "Once the philosophy of Ancient Egypt is understood as a mystical tradition instead of as a religion or primitive mythology, it reveals its secrets which if practiced today will lead anyone to discover the glory of spiritual self-discovery. The Pert em Heru is in every way comparable to the Indian Upanishads or the Tibetan Book of the Dead."

Dr. Ashby began his research into the spiritual philosophy of Ancient Egypt and India and noticed correlations in the culture and arts of the two countries. This was the catalyst for a successful book series on the subject called "Egyptian Yoga". Now he has created a series of musical compositions which explore this unique area of music from ancient Egypt and its connection to world music.

Outstanding enlightenment that unlocks the mysteries within the spirituality of the very first "Bible" in the world. The Coming Forth by Day is the foundation for the three major religions and others throughout the world. I now have a better understanding of the illusionary world of duality that most humans believe is reality.

Brother Muata Ashby covered the Metu Neter and Kemetic Mysticism in deep details that enable the serious student to delve into understanding Serpent power and energetics.

Great Book! Very Informative and in depth reading. This book has solved all my questions of Deep Thought (Conscious) of Knowing Thyself!

Very good book. Hard to put down. The author knows the subject well and from reading this book he comes across genuine.

very very happy! a worthy addition to my library

A great African interpretation of the "Pert Em Heru" a great book for initiates. I strongly recommend

this book along with the complete Metu Neter series by Ra Un Nefer Amen.

This is a phenomenal teaching of the wisdom of the Pert m Hru. There are keys for enlightenment contained within the pages of this book. It is suggested that one attain a copy of the book "African religion vol.4 Asarian Theology" by the same author that will assist in a better understanding of the meanings of passages of this book.

i love it
