Synopsis

Everyone loves to go to a nice beach on a vacation, but with so many options in the Philippines which one should a single guy choose? There are 5 main beach destinations that you may want to check out and each has different strengths and weaknesses. We break down these 5 options when it comes to the beach, the nightlife, how budget friendly it is, and how much of a tourist trap you are walking into. Most people don't have enough time to hit up all 5 beaches on a vacation, this book can help you narrow down the one(s) that is best for you.
