Customer Reviews

An avid knife enthusiast, Joe Kertzman spent 20 years as managing editor of BLADE magazine. Kertzman has authored 14 editions of the KNIVES annual book, as well as Art of the Knife, Blade's Guide to Making Knives, and four editions of Sporting Knives.

This is a well written book with many great color photos. Most of the focus goes to custom builders. If your "Thang" is high/end customs this will be a great book. If you lean toward tactical, EDC, or real world survival knives you'll only see a few looks at "production" models. Most of the custom knives may not fare well in hard use environments.

A routine purchase, not as informative as "Knives '81 to '2000" but still keep on buying annually.

thx
