33 Degrees Of Deception: An Expose Of Freemasonry

Synopsis

The deadly deception of Freemasonry is exposed in this comprehensive book that tells the story of Jim Shaw, who was a 33rd degree Mason, Knight Commander of the Court of Honor, Past Worshipful Master of the Blue Lodge, and Past Master of all Scottish Rite bodies. In addition to Jim's story, 33 Degrees of Deception answers the questions many people raise about the Masons. You will be intrigued to learn what this book has to say about: * The connection between Masonry, the New Age Movement, and the New World Order * Masonry's occult roots * Death oaths and Masonic executions * Masonry and the Illuminati * Masonry's opposition to Christian schools Tom McKenney writes to warn Christians of all denominationsto extricate themselves from Freemasonry.

Customer Reviews

Lt. Col. Tom C McKenney, USMC retired, is a graduate of the University of Kentucky and the University of North Carolina at Chapel Hill. He was an infantry officer and parachutist in the U.S. Marine Corps, serving in both Korea and Vietnam. [P] A student of military history, he has contributed articles to various periodicals and has written several books on a variety of subjects, including [i] Jack Hinson[']s One-man War.["] He is a advocate for American Prisoners of War and has appeared on hundreds of radio and television programst to discuss veteran[']s issues and his personal experiences. He has also served as an instructor in biological sciences. Lt. Col McKenney and his wife currently live in Long Beach, Mississippi.

Unmasking the Mason's. An important read for folks dealing with demonic realms in your church.

True account and eye-opening. The Mason's don't want you to have this book!

I am a 32nd Degree Scottish Rite Mason. I recommend this book to everyone, more especially my Masonic Brothers. As a result of what I have learned I am now making several important decisions regarding my path in Freemasonry.

Boring book written by Born-again Christian. It is not as interesting as I thought would be. I have no way to verify the initiation ceremony.

Well written by actual Free Mason. Explains Masonic doctrine and beliefs. Compares Free Mason beliefs with the Bible. I highly enjoyed the book.

Great book.

ok

Well written and alto of information. Must have and well worth it.

First, I will state that I am not and have never been a Mason, nor is anyone in my family, therefore this review is unbiased. I somehow or another came across this book on , and knowing that a handful of acquaintances and one of my clients are Masons, I decided to read it. In short, my interpretation of this book is that it is intended to convert the reader to Christianity - it is essentially an Evangelical book. The author goes through his story of joining the Freemasons, rising up through the degrees and then in the Scottish Rite, and finally, and surprisingly, being awarded the 33rd Degree. I find many parts of the book hard to believe and in my opinion, they're fictional. First, the day after becoming a Mason, he goes to his government job (where his superiors are supposedly all Masons as well) and he gets a mysterious and immediate promotion to a job for which he's not qualified. This simply doesn't happen in government. Private sector, yes, but in government? No way. There is far too much bureaucracy involved and it's not something that can be done at the snap of a finger. Even more fantastic is his claim that he was given a phony civil service test for the new job. Sorry but unless the ENTIRE bureau where he worked was staffed 100% with Masons, that just can't happen. It's also strange that he was awarded the 33rd Degree. From the Masons I know, this is an honor that VERY few Masons ever get. And then he quit Masonry immediately

after? If you look at any of the wild conspiracy theories about Freemasonry, all the "secret" stuff and world domination nonsense allegedly happens among 33rd degree Masons. If he really believed anything dark-sided was going on, you'd think he'd stick around a while to see if his perceptions were correct or not. On the subject of the name of Jesus not being included in Masonic prayers, this is for a very simple reason: Freemasonry is open to men of all religions, the one requirement being that you do in fact believe in a God. (No atheists are allowed.) It has nothing to do with being anti-Christian or anything else the author supposes. It is to keep things compatible with all religions. My Mason friends are mostly churchgoing Christians along with one Jewish friend who is active in his conservative synagogue. My all-time favorite author Napoleon Hill refers to God as "Infinite Intelligence" in his writings, and he even said he did that to keep his books compatible with all religions. There's nothing "anti-Christian" about it. Here's a true story I experienced: When I realized I'd been drinking too much, I bought a book called "The Easy Way to Control Alcohol." However, the book is cleverly designed to get you to quit completely, which I did. This book is based on the same concept - you think you're going to read a story revealing the deep dark secrets of Freemasonry, but instead you basically get a pitch to become a born-again Christian. In all, not a bad book, and the story is interesting enough to make it worth reading, but be prepared for the evangelical pitch at the end.
