Sports Law: Cases And Materials

Synopsis

This second edition updates the innovative casebook which is accessible to professors and students not thoroughly conversant in sports jurisprudence, yet challenging and provocative enough to be an essential reference to experts in the field. It contains cases, articles, relevant collective bargaining agreement provisions, legislation, critical commentary, notes, questions, and problems related to law and the sports industry.

Customer Reviews

"Practical, interesting, and informative, this textbook should be considered by anyone teaching in the field...." --The Entertainment and Sports Lawyer (on the first edition)"This casebook is a gem . . . my students love it." --Professor Peter Falkenstein, Hofstra University School of Law (on the first edition)

Michael J. Cozzillio is a professor of law at Widener University School of Law. Mark S. Levinstein has represented such clients as the U.S. National Soccer Team Players, Nancy Kerrigan, the St. Louis Rams, the San Diego Padres, Patrick Ewing, and many others. A partner with Williams & Connolly, he has taught at Georgetown University Law Center. Michael Dimino is a professor at Widener University School of Law. Gabe Feldman is a professor Tulane University Law School.

Filled with fascinating cases, which are covered in sufficient detail. I'm not a law student, so take my advice with that in mind. I learned a lot about fundamentals of sports law and some precedent

setting cases. Highly recommend

Very information book. It basically details numerous sports law cases, and provides the reader a look into how cases in sports have shaped the landscape of current major sports in usa. Good read, sometimes difficult to comprehend the outcomes due to use of law terms/language, but overall a good read..
