Ruthless (The Seraphim Series Book 2)

Synopsis

The love of her life wants to kill her. She should be walking away from him. Screw walking, she should be sprinting! Her mind screams at her to go, but her body, her heart, and some sick part of her soul that thrives on danger demands she stay. He's wanted to kill her before and she had survived. She looks into Azrael's cold, red eyes, so different to the clear blue ones she came to love. The question remains: Can she save him? And if she can't, can she bring herself to kill him?

Customer Reviews

The story just pulls you in and it's almost like you're there with them. I can't wait to read #3! I would certainly recommend the series to anyone who loves a good romance with action and a paranormal twist. You can feel what the lead characters feel, losing yourself in their story.

Great series

Love

Quick easy read with lots of action. With any young adult book I don't expect too much depth with the characters. Surprised by a few of the parts of the book.

An awesome spellbinding read that keeps on the edge of your seat. Great . Love story blended in. You will enjoy this series.

When does book 3 come out can't wait to read it. I'm hope soon cause I would hate to wait longÃ¢Â€Â

Talk about a cliff hanger! I can't wait for the third book to come out so that we can find out what happens!!!!

Once again, Ms. Stafford has left me salivating for the next book! I never want this series to end, but I want it all now!! I'm a single mom who devoured this book in just under 2 days; I simply couldn't put it down. This series has awoken a new favorite genre of reading for me that other authors have yet to even come close to! My only complaint; waiting for the next one!
