# Corrections: The Essentials

## Synopsis

Corrections: The Essentials, is a comprehensive, yet compact version of corrections by two esteemed authors who are experts in the field. The text addresses the most important topics in corrections in a shorter and more cost-effective format. The Second Edition continues to cover the history, development, and future of corrections as well as provides new coverage of Ethics and the Death Penalty. The book's brevity makes it an excellent core textbook that can easily be supplemented with additional reading materials.
