Leslie Brokaw has co-authored over a dozen Frommer's guides since 2006, including Frommer's Montreal Day by Day and Frommer's EasyGuide to Montreal and Quebec City. She is a contributing editor for digital media for MIT Sloan Management Review and teaches at Emerson College, located in Boston. Leslie collaborates on her Québec writing with her husband Matthew Barber and her

writing partner Erin Trahan. Leslie and Matt are parents to a toddler who enjoyed his first croissant at Olive + Gourmando in Vieux-Montréal and his first bagel at Fairmount Bagel in Plateau Mont-Royal. They are also all big fans of the handmade poupées, or dolls, from the Montreal boutique Raplapla. She resides in the Boston metropolitan area. Matthew Barber writes about food trends and cooking for the Boston Globe. He lives with his wife, Leslie Brokaw, and their son and dog in Boston, MA. Erin Trahan is a writer and editor specializing in film and travel. She has contributed to WBUR Boston, The Boston Globe, MovieMaker Magazine, New Hampshire Public Radio, Women's Review of Books, Girl Scout Leader Magazine, NewEnglandFilm website and elsewhere and has co-authored six Frommer's Guides to Montreal and Quebec City. As the editor of The Independent, an online magazine about film, and its related books on film making, she often serves on film festival panels and juries. She has a particular fondness for facilitating post-film dialogue and has created adult education courses that travel to film festivals, including to Montreal. She teaches at Emerson College and lives in Marblehead, Massachusetts with her husband and daughter.

Frommer's detailed description is great reading for a traveler, like me, who likes to plan a trip well in advance. I like the excellent content and appreciate the Metro Map and the separate Montreal & Quebec-City Map being included! The book is a good value for the money! Montreal's free-walking tour, starting in May, is not included in the book, however one can Google that for details.. So far, because I found the book to be so helpful and well organized, I have purchased three copies for friends and family. Purchasing another Frommer's 'Montreal day by day' today because a friend's dog chewed my copy to bits.

I bought this for a family member who will be living in Montreal as part of a semester abroad program. I think it will work out well - smaller than a typical paperback, a nice foldout map, and covers a variety of topics. Typical Frommer's product, which I have always used and liked.

The book has information on the primary places of interest. The map of Montreal is of limited use as it only covers the main downtown area. I was staying in Mile End and could not use the map to find places they recommended. Had to use Google Maps which incurred international roaming charge. Not the best guide I have used.

Frommer's was a wonderful way of seeing Montreal. The places of interest, the restaurants and

the map provided were so very helpful. There were no disappointments at all. Wonderful vacation!!

Very helpful with lots of suggestions and ideas of what to see and do. It is just the right size for a pocket, pack or purse so it went everywhere with us. The maps are great; they saved us from being lost several times.

The print it is too small it is just ok

The book has lots of maps and pictures to help one to understand Montreal.

Great book! We visited a lot of the places in the book. A lot of great tips we would have missed out on without the book.
