It's a father's day present and I think he's gonna love seeing it everyday.

My husbands ask for these every year for christmas. If you're a history buff, this is definitely the product for you.

This was not the size I was expecting. I should have read the description better: it is a desktop mini calendar. You rip off a page a day. I really wasn't into the obscure trivia that it included so I gave it away to an elder gentleman who loved it. So, to each his own, I guess.

Gave it to our fact/trivia oriented 3rd grader. I'm not sure which he likes more, having a tear off calendar all his own, or learning a new fact every day. Some facts are related to tougher historical topics, like civil rights and war, which provide discussion opportunities.

Not what I expected. Print is too small and I don't really like the paper.

Love it find it very interesting
