## **Customer Reviews**

My acting partner and I had a BLAST with this book. The scenes were very realistic and it was easy for us to get right into character. I love the way the book is organized with the "One woman, One man Scenes" and so on so you can easily go to whatever situation you were in.

I bought this book for my high school forensics team. It has lots of choices, and is conveniently organized into male/female, male/male and female/female duos. However, there is some strong language, which is unfortunate. If my students find a piece they particularly like, and it had the more adult language, they would have to "b!\*\*p" it out from the dialogue. Additionally, most of the pieces are quite short, and I'd like a few longer ones for the students who wish to have more of a challenge. Aside from these two concerns, I think it is a great book for an acting class or a forensics team.

I just received this book to add to my library of scene books. I teach acting at a university. I am relieved to find that the book includes scenes I have not previously seen in any other scene book. (That was a lot of "scenes/seens"!) Each scene includes a helpful age/style/synopsis breakdown.

Good purchase.

Has some of the best scenes I've ever read. I use it for almost all my scenes that I need to do in my acting class.

Even better than the original!

Great play.

Great!

more current selection than most scene books -- well organized. Very fast delivery, thank you!
