Wishtree

Synopsis

Trees can't tell jokes, but they can certainly tell stories. . . . Red is an oak tree who is many rings old. Red is the neighborhood "wishtree" — people write their wishes on pieces of cloth and tie them to Red's branches. Along with her crow friend Bongo and other animals who seek refuge in Red's hollows, this "wishtree" watches over the neighborhood. You might say Red has seen it all. Until a new family moves in. Not everyone is welcoming, and Red's experiences as a wishtree are more important than ever. Funny, deep, warm, and nuanced, *Wishtree* is Newbery Medalist and New York Times bestselling author Katherine Applegate at her very best — writing from the heart, and from a completely unexpected point of view. This book has Common Core connections.

Customer Reviews

Praise for *Wishtree*: Autumn 2017 Kids' Indie Next List "Top Pick" Title "The simplicity of Newbery Medalist Applegate's graceful novel contrasts powerfully with the prejudice it confronts. Narration comes from Red, an enormous red oak near an elementary school that also serves as a "wishtree" — for the neighborhood. Once a year, residents deposit wishes in Red's branches and hollows.... Red's openhearted voice and generosity of spirit bring perspective gained over centuries of observation. It's a distinctive call for kindness, delivered by an unforgettable narrator." -- Publishers Weekly, starred review "Timely,

necessary, and brimming with heart."-- Booklist, starred review "Newbery Awardâ" "âœwinning author Applegate meets high expectations in this tale told by a tree named Red, a red oak who is "two hundred and sixteen rings old."... Another stunning effort from Applegate. This thoughtful read is a top choice for middle graders."--School Library Journal, starred review "This swiftly moving yet contemplative read is great for early middle grade, reluctant or tentative readers, or precocious younger students. A deceptively simple, tender tale in which respect, resilience, and hope triumph."--Kirkus Reviews, starred review Praise for Crenshaw: A New York Times Bestseller A Publishers Weekly Bestseller "This accessible and moving novel demonstrates how the creative resilience of a childâ" "âœs mind can soften difficult situations, while exploring the intersection of imagination and truth." A Publishers Weekly, starred review "A compelling and unflinchingly honest treatment of a difficult topic." A School Library Journal, starred review "The tone is warm and, occasionally, quirkily funny, but it doesnâ" "âœt sugarcoat the effects of hunger and vulnerability." A The Horn Book, starred review

Katherine Applegate is the author of *The One and Only Ivan*, winner of the Newbery Medal. Her novel *Crenshaw*, spent over twenty weeks on the New York Times children's bestseller list, and her first middle-grade stand-alone novel, *Home of the Brave* continues to be included on state reading lists, summer reading lists, and class reading lists. Katherine Applegate lives in Tiburon, California, with her family.
