# Not A Fan Updated And Expanded: Becoming A Completely Committed Follower Of Jesus

## **Synopsis**

This expanded and updated version of Not a Fan adds a new introduction and an entirely new chapter about how to practically live out the message of this mega bestseller. Are you a follower of Jesus? Don't answer too quickly. In fact, you may want to read this book before you answer at all. Consider it a "Define the Relationship" conversation to determine exactly where you stand. You may indeed be a passionate, fully devoted follower of Jesus. Or, you may be just a fan who admires Jesus but isn't ready to let him cramp your style. Then again, maybe you're not into Jesus, period. In any case, don't take the question "Are you a follower of Jesus?" lightly. Some people don't know what they've said yes to and other people don't realize what they've said no to, says Pastor Kyle Idleman. But Jesus is ready to clearly define the relationship he wants with his followers. Not a Fan calls you to consider the demands and rewards of being a true disciple. With frankness sprinkled with humor, Idleman invites you to live the way Jesus lived, love the way he loved, pray the way he prayed, and never give up living for the One who gave his all for you.

Kyle Idleman is the Teaching Pastor at Southeast Christian Church in Louisville, Kentucky, the fourth largest church in America. He is the author of the award-winning and best-selling book not a fan. He is also the presenter of several video curricula, including not a fan, H2O, and the newly released study gods at war.

Awesome Read!!! What a challenging book!!! This book had me questioning my relationship and commitment to Jesus. It is very thought-provoking and very thorough. I loved it so much that I can had to purchase two more titles by the author. Teachers like Mr. Kyle Idleman, makes me a proud student of the bible. He also encourages me to study the word of God more thoroughly. I am Terell Andrews and I am not a Fan!!!

This is such a powerful book that I ordered it for several of my friends. If anyone wants a better understanding of what it means to be a follower of Christ rather than just a fan, this is a book they don't want to miss. Convicting and encouraging at the same time.

This is an intense book that has helped me grow stronger in my walk with Jesus. I like Kyle's style of writing and it keeps my attention. I want to be a follower, not a fan!

Moved me to tears at several points, because it speaks right to your heart, with both the unflinching gaze at your "fan" status or outright failings, and also with the deep compassion and grace of God's love. I do not think I will be the same. God put this book in my path at the moment it was most needed, and likely when I am the most ready. I don't know where I go from here, but it will be as a follower, despite, or perhaps because of all that I've lost. And, because I found this book to bring the message home.

I enjoyed reading this book and was challenged by it. In that way it was certainly worthwhile. I recommend this book to all who identify as Christian..

Highly recommend for anyone who thinks they follow Jesus and understands what it really means to give your life to Christ. Well written and direct - no fluff!

Really enjoyed this book. It's a quick read and nothing is sugar coated. It did seem repetitive at time though. Overall, I found the content challenging and thought rebuking.

Bought it for a Bible Study that I wasn't able to attend. The subject matter is good from a new viewpoint, sorts out the difference between Sunday only Christians as being like Sunday game football fans and those who are Christians everyday whether anyone is watching them or not.
