Customer Reviews

James Van Rhee is program director of the Physician Associate Program at Yale School of Medicine. Kaplan Medical, the leader in health sciences test preparation, offers a wide range of programs and products focused on providing the most exam-relevant information available. For physician assistants, Kaplan Medical provides a full range of services, including a up-to-date online Qbank, live classes accessible from anywhere in our state-of-the-art online classroom, and more.

Multiple typo's. Good questions but sloppy editing.

I like this book a lot, it is similar to pance prep pearls question book which I also highly recommend.
Very nice and concise questions and explanations

the questions are easy.

Questions are not all written in PANCE format. Multiple medical errors, including using medications that were pulled from the market in the 90s. I have been a primary care PA for over 20 years, and in PA education for 10 years. I cannot believe how bad this book is!
