Great pictures of the Northern Pacific territory. You get the feeling of consolidation of the railroads in the Northwest, especially Great Northern with Northern Pacific.

This book has some excellent photos of the Burlington Northern in the Pacific Northwest. A must have for any BN fan.

good book thank you

Outstanding text and photography.

Excellent book

Some of the most spectacular railroad photography I've seen, with great descriptions for each photo. It includes illustrated maps and the author's narrative. This book shows the Burlington Northern Railroad at its finest. Truly outstanding.
