International Law (American Casebook Series)

Synopsis

This classic international law casebook has been updated to cover recent case law, including the International Court of Justice's Extradite or Prosecute (Belgium v. Senegal) case, and the Supreme Court's decisions in *Samantar v. Yousef* (on foreign sovereign immunity) and *Kiobel v. Royal Dutch Petroleum* (on the Alien Tort Statute). With extraordinary range and depth, this casebook probes "hot topics" such as the Syrian civil war, the seizure of pirates, and the ICC's indictments of African leaders, all calculated to provoke engaging classroom discussions. This casebook is designed for introductory and advanced classes, with detailed readings on the structure and actors of international law and on specialized areas.

Customer Reviews

Great price, exactly the book I needed for class.

Good I guess

right book has all cases I want

Great

These shears are very durable and made of high quality material. a gift to my brother , Nice and valuable. very fast, receive it next day, I have owned many knives over the years, but this is the first

real" bread product that I have ever owned. I really like the construction and design. It works exactly as advertised. I have used it on bread and tomatoes and it did the job perfectly well. I would recommend this product to anyone who needs a quality bread product."
