Resources For Teaching Gerontology (Pub.)

Synopsis

This practical resource, a companion volume to "Teaching Gerontology: The Curriculum Imperative," gives educators useful tools for teaching the subject. The book includes innovative classroom and clinical activities, guides for independent student field assignments, proven strategies for effective use of print and video resources, and learning activities which develop students' ethical reasoning and sensitivity. An annotated list of articles, textbooks, videos, and films for teaching gerontologic nursing concepts is included.
