## Customer Reviews

BYU's American Heritage Textbook.

It's a textbook, but a good one if you like History! Plus I doubt anyone buys a book like this without having to.

used for a class

Great book. It arrived in great condition.

book was great for school class and buying on was the best choice

Required reading for BYU

Class didn't even use this book, stupid class. Cheap price though so that's a huge bonus.

Excellent history textbook. Emphasizes concepts from the country's founding and challenges of the present and past. Very readable and informative.

Received the item fast, in good quality and fantastic price.
