VERY NICE!

awesome book

Great short message. It is a focused teaching on the aspect of "Accessing". Im glad it is a low price for a small book. Great to use for small group as an intro into the Courts of Heaven message. I think there is an introduction to Courts of Heaven for free on Kindle Unlimited. Then, you can move onto the larger more in depth books. Henderson is the authority on the subject. Some others are trying to copy, but only get it if it is Robert Henderson.

Awesome teaching, great short book to reference as you go.

Found this to be very informative and helpful. It is easy to read. Recommend this to others.

Great book for introducing the series on praying effectively. It was a little shorter than I was expecting but the material and it's presentation was spot-on and easy to read and comprehend. A must read for creating the atmosphere for answered prayers.

I enjoy this, but there seem like there more to this? but what I've read I've enjoyed going over it again.

Every Kingdom Citizen needs this book in his/her library. A great practical how-to book.
