Lust In Translation

Synopsis

Jaime Cruz has a to-do list a mile long. She needs to get back to her hometown, find a new teaching position and a place to live, and ensure all the preparations for her sister's big wedding go off perfectly. Good thing she's organized and has a strict itinerary. But when her ride across country insists she have fun along the way, her plans and schedule go out the window—literally and figuratively. Workaholic Xavier Moreau is taking an uncharacteristic vacation to drive across America to see all the places his mother loved. He didn't expect to have the world's biggest backseat driver riding shotgun, but he can't really refuse to take his best friend's future sister-in-law with him when the wedding they're both in is a shared destination. Pushing Jaime's buttons is more fun than Xavier's had in a long time, but getting the luscious control freak to let go soon has him questioning his own future.
