This book is super short, and has almost no story line. Normally my 2-1/2 year old daughter would be bored by a book like this, but she loves anything with Elmo in it, so she doesn't seem to mind. Most of the stories we read to her are much more involved than this one, so I'm not sure she learned anything from it. Nevertheless, the crib to bed transition went off without a hitch.

Got this to help my 2 yr old transition, except she wasn't in the crib but in our bed!

Wasn't expecting such a good, sturdy book at this price! Plus, it's all about Elmo, just like my

grandson. He is transitioning to a toddler bed, just like Elmo is in this book. It's a short book, to the point, but you can and probably will, be reading this more than once at bedtime. :)

A big help in getting my little girl to her big girl bed. Took a while for her to pick up on it but she was calling for it by the end of the "transition". Not too boring and redundant for adults either.

I don't know if this will help transitioning my daughter to a big girl bed in the future, but it is a cute book and she loves elmo! So I'm hopeful!

After reading this book, my son asked for a big boy bed (almost 3). Getting one this week!

Adorable! We read this a lot when my daughter was moving to her big girl bed. She really enjoys the book, and it has a great message. It is simple and short, but that is what makes it great for a two-year-old.

Simple story and everyone loves Elmo! Helped my child transition to big kid bed
