Average Customer Review: 4.6 out of 5 stars 8 customer reviews

Best Sellers Rank: #273,090 in Books (See Top 100 in Books) #53 in [Books > Arts & Photography > Photography & Video > Nude Photography](#) #364 in [Books > Arts & Photography > Photography & Video > Erotic Photography](#) #403 in [Books > Arts & Photography > Photography & Video > Individual Photographers](#)

Customer Reviews

The book features covers of gay porn magazines. The content of the photos vary from coy (side nudity, non-frontal nudity, bare buns) to fully bare-balled men to XXX porn with men performing sexual acts.; Many photos featured magazine covers from before I was of age or entirely before my time. This book is strictly beefcake and is delicious.

A great throwback collectable.

bought as a valentines gift. was not disappointed.

Great retro covers from a fun time

He Aint Heavy Her's My Brudda! Or should I say BH BUddy! Arrived in Super Good condition even through the HEAVY LA Traffic here!

MORE HEAVY TRAFFIC is far more than a collection of covers for magazines, periodicals, books and film jackets - though it is most assuredly one of the finest collections of such materials yet published in full color and on well designed pages. The original book HEAVY TRAFFIC, the was an important sociologic study of the chronological development of the progress of gender studies since the early 1960's to the 1980s. In its excellent introduction - Gay History: In Detail, In Color, and in the Flesh - written by Dr. Kevin Clarke, author of the book 'Porn: From Warhol to X-Tube', curator and current editor-in-chief of Manner magazine, we learned about the progress from 'suggestive covers' in the years of censorship, through the post Stonewall new gay identity, through the present and how Clarke sees this collection, gathered from the Schwules Museum in Berlin and other sources, as a solid path to understanding the development of gay literature. This quality of scholarship was continued in the article 'From Romance to Raw' written by Dennis Forbes/Fred Bissonnes further detailing the significance of photography and design in providing the gay public with increasingly more unfettered advertising of the contents of the magazines such as Advocate Men, Blue Boy, Adonis, Physique, Arena, Falcon File, Playguy, Hustler, etc. In this new addition, as the PR states, 'Porno's Never Been More Entertaining Pure inspiration and extremely direct: cover, ads, magazine design - this book takes it inspiration from gay pornography's design history.' Yet lest the reader think that the contents of this book contain only raw seductive imagery, rest assured that there is considerable humor and parody and some fascinating bits of information included. It is very entertaining to see the types of models through the years covered by this book - from the early 'beefcake poses' through the varying hairstyles and swimsuits (when present!) styles to the more raw and flagrant covers. Reading and looking through this book is as fine a survey of the emergence of gay visibility as has been published. Editor Stephan Niederwieser and his staff at Bruno GmãfÂ nder Verlag are to be commended not only for an entertaining book but also for adding to the recorded history of this important study of art representation of a movement. Grady Harp, July 13

A fascinating collection of old gay porn magazine covers and adverts. On every page there is a memory of those hard-core mags that you craved for at the back of the newsstand or were brave enough to purchase and hide away from prying eyes in the days when collecting and reading porn was not so acceptable. Would be a real culture shock for young gay men today where everything and everyone appear to be so easily accessible via the internet and other modern means. In "the good old days", this was it and the joy of finding a magazine devoted to gay sex was indeed a joy. To be sure a lot of these magazines didn't live up to our expectations but we were more than

pleased when some did. There are lots of pages devoted to adverts of the time which will bring memories flooding back: sexy clothing and accessories, porn movies, gay holidays, bath houses and all sorts of drug related paraphernalia A real blast from the past!

great visit in nostalgia
