Peter R. Senich is recognized as one of the world's foremost authorities on the history of modern weapon systems and their applications. He is also a leading military historian and the author of nine books on military sniping and small arms.

Outstanding, the depth and technical imformation are the best I've seen. I highly recomend the book to anyone interested in true historical facts, and rare photos of sniper weapon development.

I find this book entertaing & informative from a competative shooters perspective. It's a complete book on history on U.S. Sniping. Tactical Shooting. Purchased @ .com ..... Larry, North Bend, Oregon
