Customer Reviews

"Unusual places that are worth making a detour for."--The Boston Globe
"Whenever someone writes about New Hampshire's out-of-the-way places of interest, I scour through to see if any of my own favorites were left out. Darn it all ... none of them were! In fact [the authors] added quite a few I didn't know about." --Judson D. Hale Sr., Editor, Yankee magazine
"A New Hampshire guidebook that will both entertain and inform New Hampshire natives and visitors alike. This book deserves a permanent home in the glove compartment of your car."--The Honorable Walter Peterson, former governor of New Hampshire
"The guide will help visitors and residents alike discover the unique, must-see attractions around the state."--Union Leader (Manchester, N.H.)
--This text refers to an out of print or unavailable edition of this title.

Tired of the same old tourist traps? Take the road less traveled and discover the hidden attractions, unique finds, and unusual locales other guidebooks just don't offer. Off the Beaten Path® features the things you'd want to see - if only you knew about them! From the best in local dining to quirky cultural tidbits, you'll say over and over again: "I didn't know that!" • Whether you're a visitor or a local looking for something

different, let New Hampshire Off the Beaten Path show you the Granite State you never knew existed. See if you can find the face in the stone at Profile Falls in Bristol; go antiquing for collectibles at Dow's Corner Shop; or take the kids for a moonwalk at the Manchester Science Center. So if you've "been there, done that" one too many times, get off the main road and venture Off the Beaten Path. --This text refers to an out of print or unavailable edition of this title.

Great book to look for places to go-

This is the best series of travel books about New England that I have found. It is easy to read with information I haven't found in other travel books. The New Hampshire book didn't disappoint. It is up to the standard I expect from this series.

This book gives very concise and complete directions to the locations of the places listed. Not only was I able to find every location that I wanted to see and with little or no problem, but also there were good places to eat and other things to do along the way. The accuracy in the distances from the starting points to the destinations is so good that with care there is almost no chance of getting lost. Obviously the authors took great care to be accurate in their descriptions and directions and have written a book that is a real joy to use. I look forward to using other guides by the same authors as I know they will be correct in their information.

I look forward to using other guides by the same authors as I know they will be correct in their information.

Spent a week in the White Mtns and used the book extensively. Most interesting was "discovering" the old Mineral Springs resort in Conway. Book was well written, concise maps and directions were very clear. This book, combined with a good road map and a general guidebook make touring NH very enjoyable.
