The Stepsister (Fear Street, No. 9)

Synopsis

Fear Street -- Where Your Worst Nightmares Live... Emily wants to like her stepsister, but it hasn't been easy. As soon as Jessie moves in, she takes over Emily's room, steals Emily's clothes, and lies to everyone. Then Emily picks up Jessie's diary and learns a horrifying secret. Is Jessie really capable of murder? Emily tries to tell her parents, but no one believes her. So it's up to Emily to expose the real Jessie -- if she can stay alive.

R.L. Stine invented the teen horror genre with Fear Street, the bestselling teen horror series of all time. He also changed the face of children's publishing with the mega-successful Goosebumps series, which Guinness World Records cites as the Bestselling Children's Books ever, and went on to become a worldwide multimedia phenomenon. He lives in New York City with his wife, Jane, and their dog, Nadine.

I thought the book was a very interesting book. R.L. Stine told the story from the perspective of Emily. A girl who's mother got remarried and she is getting a new stepbrother and stepsister. Then terrible

things start happening to Emily and it all points to her new stepsister Jessie is she really behind or is someone else pulling those Sinister pranks. Read this then get the stepsister 2.

This was probably the best R.L. Stine novel I have ever read. This is an amazing book for every individual who loves a surprising mystery.

I was intrigued by the title of this book and knew I had to read it. As I suspected, it was very good! The suspense and chilling moments made the book a real page turner! It even ends with a surprise twist! I really enjoyed this book very much.

Great book to read while traveling. Kept me engaged the whole flight. Even though you start to figure some things out toward the end you still want to press and finish the book.

Loved the book thank you!

I read these books as a kid. I'm 26 now and felt nostalgic one night. This book was a good read. Honestly, I have read so much, and even I was guessing at the mystery within. I would totally recommend this to anyone.

I always love reading Mr. Stine's Fear street series! It always keeps me entertained and constantly thinking! I encourage my family and friends to read these books as well!

This book was AMAZING RL stine is really talented I enjoy reading his books the best thing about his books are you just keepWant to know what's going too happen next I could not put my kindle downFrom Abby Bieber
