LOVE this book, we also got the workbook that goes with it. SUPER happy we got these.

Spare book to keep home so daughter doesn't have to drag school book back and forth.

The book was marked "property of school" and was heavily marked. The cover was in fair shape and the binding was questionable. The upside is the price was right.

Purchased for school district. Since I didn't hear any complaints (which I would), I can only assume that teacher was happy with the item.

Had a problem with the book...they fixed the problem super fast and gave a great product! Very Pleased with my purchase

This book was better than expected and at a great price. The vendor ships to Puerto Rico, which is perfect because most of the vendors don't ship to PR. Excellent service and fast delivery.
