Shipping Weight: 14.4 ounces (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 7 customer reviews

Best Sellers Rank: #383,428 in Books (See Top 100 in Books) #63 in [Books > Children's Books > Education & Reference > Math > Algebra](#) #591 in [Books > Education & Teaching > Schools & Teaching > Common Core](#) #1344 in [Books > Education & Teaching > Studying & Workbooks > Workbooks](#)

Grade Level: 1 and up

## Customer Reviews

Such a help for extra practice for my daughter and also as a tool for me to learn Common Core math techniques.

Came as described.

Great for assessments , helping with lesson plans , and giving individualized instructions for my special education class of Autistic students.

Fantastic supplement to the Text. Daughter is going to grade 1 in the fall so we are doing the book over the summer. Great job of having more problems to do as difficult concepts arise. Definitely glad we started this now.

It was similar to what my child uses in school.

some of the pages had writing in them

Speedy shipper, product as described
