## Synopsis

So you've made it to Valhalla. Now what? This "who's who" guide to the gods, goddesses, and other important figures of Norse mythology was commissioned by Helgi, who, after more than a millennium as manager of Hotel Valhalla, became fed up with answering the same questions from newly deceased heroes at check-in. The profiles provide essential stats, interviews, and personal reflections so you can identify the gods and avoid those awkward introductions. Handy facts about other beings round out this go-to tome. You'll never see Ratatosk as a cute little rodent or confuse a dwarf with an elf ever again!

## Customer Reviews

Ignore the other review, this book is written by Rick Riordan, and is a very entertaining read. It helps offer insight into the asgardian universe and adds more story to the characters. Definitely worth the money, especially while waiting for the hammer of Thor.

This was so funny! I loved every page ! It's like the Greek gods and goddess book , only a lot more funny with interviews with some of the Norse gods ! Great lines and a little look into the next Magnus chase book!

what a great companion book. super easy to understand, little funny too. first rate for someone who loves the series and his books!

Perfect guide to The Sword of Summer. I actually read this prior to reading The Sword of Summer and it was extremely helpful to have a little background knowledge before I dove into the book. Great read on its own as well.

I have just started reading the book. So far it is entertaining.

Love his work...he doesn't disappoint. Another great informational work. He has a way of telling a story that makes you keep reading

I found this to be interesting, informative and fun. I really enjoyed the fact that he included a pronunciation guide at the end. Those Norse words are hard to pronounce. I recommend Magnus Chase: Hotel Valhalla Guide to the Norse Worlds.

The kid loves everything Rick Riordan. He loved this guide. Takes it everywhere.
