The Cowboy's Nanny - A Single Dad Billionaire Romance

Synopsis

Ash Pride Being branded the sexiest man alive is a curse. The day People Magazine gave me that title and plastered me on every newsstand in the country was the day my life got complicated. Finding a nanny is hard enough when your four-year-old son is a prankster, who lives to torture his nanny. But now every applicant wants to sleep with me, and I don't do the nanny. It's my only rule, and I never break it. Until now. Until Stella. Stella Deardon The Cattle Industry Convention and Trade show was supposed to be boring. That was before sexy billionaire rancher Ash Pride tried to rope me into being his son's nanny. I'm no Mary Poppins; I don't know the first thing about kids, and I already have a job on my family's ranch. But Ash Pride doesn't take no for an answer, and when he looks at me with his sensual, dark eyes, I'm not sure how long I can keep turning him down. **This is a full length, stand-alone romance with a happily ever after and no cliffhanger****As a Thank You for reading Emerson's new book, we have included as a Bonus, and for a limited time, four of her best selling books! Customer Reviews

I only read the first four chapters and couldn't tolerate the language nor the first person narrative. I did not even try to read the bonus books. I will not ever purchase anything by this author. I cannot believe all the 5 star reviews for this book.

Enjoyed all the books in this bundle. All had a story that kept me reading to see what happens next.

Really good stories with strong characters. I liked the twist and turns, predictable is not always enjoyable and reading this was enjoyable.

Wow- lots of action early & a lot throughout book.

Loved it. Book had a plot. And just written well.

It was a nice story nothing out of the ordinary.

Romance and family in this book. Loved the storyline and the part the son played in it. Kept my attention until the end.
