Customer Reviews

More to Explore Kaplan's ASVAB Premier 2015 has all the instruction and practice you need to help you score higher on the ASVAB and pursue your military career. The book has been extensively updated and improved from previous editions to include more practice items and step-by-step methods for each question type on the ASVAB. By using Kaplan's expert methods, you will have a clear plan of action for each question you encounter on test day. This new book is easy to navigate and well-organized. You begin your studies with a diagnostic exam in the front of the book, to help you assess your strengths and weaknesses. Then you can tackle all of the ASVAB topics one by one. You can focus on just the parts of the ASVAB that are most important to your goals, or you can study all of them comprehensively. It's a great fit for people who need a deep review as well as those who just need to brush up on some concepts before test day. The new book is informed by a solid understanding of learning science. Each section is organized around learning objectives, so you can see whether you've mastered the key concepts. Each section contains worked examples that model how a really well-prepared test-taker approaches ASVAB problems. The book also features plenty of diagrams, which will be helpful to visual learners, plus very clear explanations. Kaplan's ASVAB Premier 2015 also comes with convenient study sheets you can tear out and take with you, so you can study math and verbal strategies on the go.

The verbal tear-out sheet contains common keywords, wrong answer traps, and strategies broken down by specific question type so you can easily familiarize yourself with the intricacies of every verbal question. The math tear-out sheet is packed with algebra and geometry formulas, problem solving strategies, and shortcuts to help you avoid lengthy calculations on test day.
