wOw...the Canon 80D is so complex and feature filled that his book is a must.Well organized and speaks in simple talk that anyone can understand.Full of tips and tricks....I reference it constantly

perfect cause the 80d camera is wicked hard to pick up on ur own, the camera rules from cannon, but this book makes it easy.get it...

Much easier to understand than the owners manual. Everything is indexed so it is easier to find the information you are looking for and written in a way that is easy to understand.

Excellent when you are starting out with a brand new camera. Great tips!!

Very helpful. I'm still reading through it. I have a lot to learn.

nice guide . its just what I needed. Thanks

Your instructions are right on and simple to understand. The camera has a lot of bells and whistles and the book is a helping hand.

Gift for hubby. He's still figuring it out but says he has learned alot!
