Nashville 2015 (The Food Enthusiast's Complete Restaurant Guide)

Synopsis

Another in the series of food writer Sebastian Bond's spot-on reviews of the most exciting restaurants in town. Some will merit only a line or two, just to bring them to your attention. Others deserve a half page or more. "Exciting" does not necessarily mean expensive. The area's top spots get the recognition they so richly deserve (and that they so loudly demand), but there are plenty of "sensible alternatives" for those looking for good food handsomely prepared by cooks and chefs who really care what they "plate up" in the kitchen. For those with a touch of Guy Fieri, Bond ferrets out the best food for those on a budget. That dingy looking dive bar around the corner may serve up one of the juiciest burgers in town, perfect to wash down with a locally brewed craft beer. Whatever your predilection or taste, cuisine of choice or your budget, Sebastian Bond will not disappoint. Bon Appétit!

Customer Reviews

This is basically a duplicate of the Delaplaine Nashville Guide. I just did not realize it when I ordered. So, if you order any Delaplaine guide books, do not order this foodie guide.
