Customer Reviews

This is a helpful book on YouTube Marketing. All of the things, tips and guides that I need to know about how to get 100K Subscribers from 0 are already included and well written inside. James Harris has done an incredible awesome job in compiling and creating this book. Also the unique part of this book is the compilations of the "Earning Money with YouTube". Very informative, useful and well explained. The book is worthy of

attention!

this book is what it should be and I am happy with it. it does give good marketing strategies using youtube.I do believe that this would come very handy to people who are into youtube marketing like myself. Exactly what I was looking for today! My November-December marketing strategies are 80% video and this is a gold mine of information! Get this book, but only if you want to leverage the power of YouTube for your business!

I gotta say, this book I packed with info. I have my blog YouTube and a YouTube channel for the film company I work for. We had no idea how to start or produce great content for either of them. This book helped us figure out what to post and how to make money from them. It is well written and full of great information.

You can easily earn from the most popular web YouTube. Maximum peoples don't know the facts. The author of this book is clearly elaborate how it is possible. By reading this book you can gain lots of information behind YouTube marketing. So much helpful information exists in this book.

Very useful book! I like the way this book explains YouTube and how it works for marketing. Good explanation of how YouTube works and its a great book for those who are just learning how to use YouTube. Glad I was able to get some good tips for YouTube marketing.

It is a good and informative book about YouTube marketing. I found out lots of useful and efficient tips and tricks about how to grow channel and make much more money. I enjoyed reading this book. It is very important guide.

Excellent. Should be on every shelf for those working in the YouTube environment. The learning of this book offers itself is stunning and all that much valuable. I might want to prescribe this book to all intrigued by YouTube.

Very helpful guide about you tube marketing.Simple, useful, straightforward. In some chapters,I took notes and applied a lot of the advice to you Tube.
