Rome: The Monocle Travel Guide Series

Synopsis

Energetic and sprawling, brimming with culture and piled high with layers of history: Rome is a beguiling, vivacious ever-changing creature. Good guidance is essential: it's easy to be waylaid by the big-ticket sites, myriad trattorias and cobblestoned shopping streets. Then again, who doesn't enjoy being distracted by a scenic spot to perch for aperitivo? We've pushed past the charm of gingham tablecloths and raffia-covered wine bottles to find the innovative chefs making their mark on the food scene and the best spots for an authentic plate of cacio e pepe. The finest shops are handpicked here too, from centuries-old tailors to up-and-coming designers, and we'll lead you through the bamboozling array of galleries, museums and architecture – even going underground at times – to reveal lesser-known gems. And then there are the colourful neighbourhoods that lie off the well-beaten path, the best rooftop venues for a late-night boogie and the places to head for an early-morning run to work off all that pasta.
