"Clear, attractively presented with useful maps" Evening Standard motoring section

An indispensable guide to Driving Around Catalonia and the Spanish Pyrenees featuring Costa Brava, Barcelona, the Basque Country and Santander. Highlights include: Top 25 tours Fully comprehensive driverÃ¢ ¸s guide including road signs Full colour clear maps with major destinations clearly pinpointed Walking tours round towns and cities Detailed guides to sightseeing, activities, dining and accommodation Ideas for exploring on your own

My girlfriend and I are going to spend a bit more than a week in Catalonia and I love to drive. I had higher hopes with this book. I expected more of a list of destinations with cities inbetween where a

person must stop and learn history, shop, explore, hike etc while providing the user with the most enjoyable/scenic routes. Unfortunately, it did not live up to my expectations. On the plus side it has some nice pictures and the information is in simple format with large print. It has added to my growing understanding of Catalonia. I would say it is a decent book.
