Renegade Atlas: An Intergalactic Space Opera Adventure (Renegade Star Book 2)

Synopsis

The search for Earth has begun. After barely escaping the Union's grasp, The Renegade Star is off to parts unknown. Every member of its crew is a wanted fugitive. None of them can ever return home. But all is not lost. Thanks to Lex, a strange girl with a remarkable gift, the path to Earth has been revealed. According to ancient myth, Earth holds valuable treasures, lost technology, and endless secrets, ripe for the taking. Jace and his new friends have a chance to discover it all, but only if they can keep Lex out of the Union's grasp. Doing so won't be easy. With enemies on all sides, the deck is stacked against them, but nothing in this universe comes easy when you're a Renegade. ⚠️ Warning: This book contains action, cussing, and general badassery. Read at your own risk.
