# Tokyo Nightlife Guide: Clubs, Bars, Sex, Sleep, And Eats

## Synopsis

Do you want to have one of the best nights of your life in one of the greatest cities on the planet? If so, this book is for you - the Tokyo nightlife tourist. For the same price as a mixed drink, you'll get the inside scoop on the best clubs, bars, sex, sleep, and eats in the best nightlife districts of Tokyo: Shibuya, Roppongi, and Shinjuku. Read it on your Kindle...or on your phone! With the Kindle app for iOS and Android, you'll have it in your pocket for the entire trip. It doesn't just tell you where to go either - it also tells you what to say! With Japanese phrases throughout the book, you'll be making new friends - or "friends" \*wink\*wink\* - in just a few simple minutes. Be careful though - you might end up having so much fun that you decide not to catch your flight home!

A friend and I just decided to start crafting up some plans to go to Japan next year (I've been to Tokyo twice), and I wanted to give her the update about the club scene I experienced back in 2012 and 2013 but forgot so many names of places I'd visited and felt like I wasn't giving her the proper explanation of Tokyo's beauty of a city. Was searching for some tour guides for nightlife, and boom, found this! This book is super helpful- many clubs and even some bars and restaurants I've been to

before - so nice and insane to see someone else loving them as much as I did.. It's also got some kickass Japanese phrases I could've seriously used on my last travels also... darn, haha. Will be sending this to any of my friends who want to travel to Tokyo since a lot of my friends are music lovers and big foodies but don't want to stay at a hotel and eat room-service food, like me. All about the music and staying up late. I'm a serious night owl myself so this is right on point. This is what I love about Tokyo! My only qualm is that I wish this went a little bit further with underground dance music genres... Tokyo's musical style diversity is what makes the city even more amazing to me. Specifically, I wish there were some mentions about venues/clubs that play psytrance since that's my fave genre- and also some music festivals, not just clubs... but I can still find those on Facebook for me (through some mutual friends). SO pumped to go back!!

Can't recommend this book enough. I am working on making my way to Tokyo this year and this really has everything in it that you need to have a great time. Definitely worth the money!

The best guide on Tokyo's night life out there. Highly recommended for tourists looking to party or socialize in Japan.

Tokyo Night Owl has been a brand that I have been following for some time now. It didn't get started I do not believe, till I got back from my visit to Japan, but I have been following them on Facebook for a while. The fact that they came out with this guide to allow people who want to experience the culture that is Japan and Tokyo in many different aspects is awesome. I hope to at some point go back there and visit one day, if I do not have my best friend that lived over there with me, I will be definitely taking and reading this book in preparation.

A useful guide for the short-term visitor.

This guide is full of useful tips from the most helpful perspective - a guy like me!! It's also really easy/fun to read which is a bonus. I seriously would have wasted tons of money and time without this book, not to mention missed out on the best scenes. Kudos, Tim! You helped me avoid embarrassment lol

This book is Hella informative and a great read!
