Sacred Earth Celebrations, 2nd Edition

Synopsis

Sacred Earth Celebrations is the revised and updated version of Glennie Kindred's bestselling, classic book, Sacred Celebrations. It is an uplifting and inspiring source book for everyone seeking to celebrate and honor the changing rhythms and seasons of the Earth and her cycles. Uplifting and inspiring, it explores the eight Celtic festivals, how they were celebrated and understood in the past, the underlying changing energy of the Earth, and the ways we may use this energy to create meaningful celebrations for today to deepen our connection to the Earth and our fellow human beings. Glennie offers a vibrant, contemporary approach and encourages us, whether celebrating on our own or with family and friends, to follow our own inspired interpretations of each festival. She helps us touch the sacred, share and participate in the power of nature, express our feelings, and find ways to focus on spiritual regeneration and healing. Sacred Earth Celebrations deepens our understanding of the five elements, the laws of manifestation, the rhythms of the Moon, Earth energies and sacred landscape, inner journeying, and meditation. It explores ways to create sacred space both inside and outside, celebrations for children, crafts, the use of song and dance, garden and land projects, building a sweat lodge and labyrinths, and many other creative activities to help us connect to the moment, to the Earth, and to each other.

based on the eight Celtic festivals: the Summer and Winter Solstices, the Spring and Autumn Equinoxes, the four cross-quarter points of Imbolc, Beltain, Lammas and Samhain.
