Essentials Of Comparative Politics With Cases (Fifth AP* Edition)

Synopsis

Essentials of Comparative Politics provides all of the tools professors need to introduce the study and comparison of political systems. A brief conceptual textbook of the core ideas behind comparative politics, complete with country case studies, gives instructors the utmost flexibility in structuring their courses without asking students to pay too much. Customer Reviews

Patrick H. O'Neil is Professor of Politics and Government at the University of Puget Sound in Tacoma, Washington. He received his Ph.D. in Political Science from Indiana University.

Professor O'Neil's teaching and research interests are in the areas of authoritarianism and democratization. His past research focused on Eastern Europe, and his current research deals with the Middle East, particularly Iran. His publications include *Revolution from Within: The Hungarian Socialist Worker's Party and the "Reform Circles"* and the *Collapse of Communism and Communicating Democracy: The Media and Political Transitions* (editor). Karl Fields is Professor of Politics and Government and Director of Asian Studies at the University of Puget Sound in Tacoma, Washington. He has Ph.D. in Political Science from the University of California, Berkeley. Professor Fields' teaching and research interests include various topics of East Asian political economy, including government-business relations, economic

reform and regional integration. His publications include *Enterprise and the State in Korea and Taiwan* (1995). Don Share is Professor of Politics and Government at the University of Puget Sound in Tacoma Washington. He received his Ph.D. in Political Science from Stanford University. He teaches comparative politics and Latin American Politics and has published widely on democratization and Spanish politics. His books include *The Making of Spanish Democracy* and *Dilemmas of Social Democracy*.

The formatting in the kindle version is partially messed up. Letters from words are either critically spread out or run into each other. This makes many parts of the book hard to read, because one has to decipher first what letters belong together and words are actually written. This definitely requires some format fixing

I needed this as a required textbook for a college course. I am renting a digital copy from . I really enjoy the digital format. As for the book content itself, it is very in depth and informative.

was great
