Lonely Planet Hungary (Travel Guide)

Synopsis

Lonely Planet: The world's leading travel guide publisher Lonely Planet Hungary is your passport to all the most relevant and up-to-date advice on what to see, what to skip, and what hidden discoveries await you. Ogle sinuous Art Nouveau architecture in Budapest, take a cruise along the blue Danube, or see the dust fly at a cowboy show; all with your trusted travel companion. Get to the heart of Hungary and begin your journey now! Inside Lonely Planet's Hungary Travel Guide: Colour maps and images throughout Highlights and itineraries show you the simplest way to tailor your trip to your own personal needs and interests Insider tips save you time and money, and help you get around like a local, avoiding crowds and trouble spots Essential info at your fingertips - including hours of operation, phone numbers, websites, transit tips, and prices Honest reviews for all budgets - including eating, sleeping, sight-seeing, going out, shopping, and hidden gems that most guidebooks miss Cultural insights give you a richer and more rewarding travel experience - including history, architecture, painting, folk art, music, literature, etiquette, religion, landscapes, wildlife, wine, cuisine, and more. Free, convenient pull-out Budapest map (included in print version), plus over 40 maps Useful features - including First Time Hungary, Eat & Drink Like a Local and Month by Month (annual festival calendar) Coverage of Budapest, the Danube Bend, Lake Balaton, Szeged, Pecs, Sopron, Southern Transdanubia, the Great Plain, Western Transdanubia, Eger, Northern Uplands, Szentendre, Visegrad, Villany, and more. The Perfect Choice: Lonely Planet Hungary, our most comprehensive guide to Hungary, is perfect for those planning to both explore the top sights and take the road less travelled. Looking for a guide focused on Budapest? Check out Lonely Planet's Budapest guide for a comprehensive look at what the city has to offer. Looking for more extensive coverage? Check out Lonely Planet's Eastern Europe guide. Authors: Written and researched by Lonely Planet, Steve Fallon, Anna Kaminski and Caroline Sieg. About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, as well as an award-winning website, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places they find themselves in. TripAdvisor Travelers' Choice Awards 2012 and 2013 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia)

Customer Reviews

Spent a couple of months in Hungary in 2013 and found the guide quite helpful. However, as usual for Lonely Planet, a ton of fluff has been put in such as restaurant lists - what kind of a tourist uses this? Surely the authors could have found something better to use the space for...

Lonely Planet must create a user friendly index, if they wish to continue to sell their products as electronic books. The only way to find specific information is to go to a general section and skim through electronic pages until the desired information is found. All too often, it's not possible to find what the reader is looking for. As usual, Lonely Planet provides a reasonable travel framework. Unfortunately, images are created of many environments, which are infinitely more attractive than really. The traveler rapidly comes to believe that Lonely Planet's writers needed to write copy on a particular location and filled the space mandated.

Nice overview of the country, well organized and very descriptive. I travel to Europe often and have used Lonely Planet before. I like the way they focus on details. Easy to read, good explanations of how to get to the towns via trains and buses. Included a nice map of Budapest.

Liked the maps better in the earlier version I had, but this updated info is full of valuable information. Good insight and very helpful in planning my trip.

This book came in very handy during my most recent trip to Hungary. Lonely Planet books are

certainly at the top of tour books. I get them all the time.

Good book - we used it as a back up for Rick Steve's Budapest

Another helpful guide from the people at LP.

Excellent and helpful!
