2-sided map: the Middle East and Iraq (2010)

We ordered this map as a visual aid for our children as we are studying bible lands. It has helped the Bible come to life as we research bible writers and where they lived when they wrote their books. It is made with a good-quality paper which is good as we are using push pins to track different accounts and locations.

Better than product description.

Excellent Map

Very nice product - sharp, good weight, looks great. Nice and valuable. my brother need so cool product, the most professional service. delivery so quickly.
