Gods And Goddesses In Greek Mythology Rock! (Mythology Rocks!)

Synopsis

The gods and goddesses of Greek mythology have inspired painting, sculpture, literature and music, books and movies. Their stories continue to influence Western culture, despite the fact that the civilization that created them disappeared thousands of years ago. Author Michelle M. Houle skillfully weaves together the threads of the gods and goddesses of wars, love affairs, and personal quests for power, as well as their very creation. Each story is complemented by expert commentary written by scholars and specialists on Greek mythology.

Customer Reviews

My 11 year old loved this book, he said it was funny and very entertaining. He told me to recommend the book to all boys and girls that are 10 years old or higher :). He finished the book in 2 day, that's how much he liked it

Great book. I recommend it for mythology-loving children above ten. Amazing book, and my thanks to the author. Nathan Gold
