Sports Law: Governance And Regulation (Aspen College)

Synopsis

Career choices in sports law are divided into two broad categories: professional (sports business management) and amateur (sports coaching and administration). *Sports Law and Regulation*, adapted from the authors' top law school text, addresses both roles: professional issues of contracts, torts, agency, labor/employment law, health and safety, and intellectual property rights for marketing as well as amateur issues such as sports regulation in high school, college and Olympic levels, and gender/racial equality (Title VII). The authoritative legal author team has carefully edited and adapted their successful casebook to fit the needs of undergraduate students. Their wealth of sports law experience provides interesting and insightful cases, examples and problems to help students with legal issues they will face in their careers. Terms and legal vocabulary are called out in body of the text and immediately defined for better comprehension. End of chapter questions and assignments enhance student understanding, and helpful Websites are referenced for further research and discussion.

Features:

- Addresses both broad categories of careers in sports law
 - professional (sports business management)

Best Sellers Rank: #359,555 in Books (See Top 100 in Books) #32 in Books > Law > Specialties > Sports #3882 in Books > Textbooks > Law

Customer Reviews

I ordered this for a graduate school class. It was in great condition when I received it. I got an A in the class. :)

Excellent casebook

The book was a bit late but just came in time before class started. It has many marks and highlights but readable.

I never recieved my book and they never confirmed shipment. Do NOT risk ordering from them if you need the book within a month of your order!!!

as the price. fine. she says it is very beautiful , It is a great product. Fits into our product block. OK
