High School Boys (Plus: More His Kiss)

Synopsis

This book includes the novel: HIGH SCHOOL BOYS (about Matt and Nicole). It also includes Melanie Mark's follow-up story to HIS KISS (more about Ally and Griffin). HIGH SCHOOL BOYS: Nicole and Matt have been best friends forever. Sure Nicole has always fantasized about being more than friends, but Matt goes through girlfriends like lightening. So, Nicole figures her heart is safer if they just stay buds. But then "gasp!" one night Matt kisses her. And it's everything Nicole dreamed it would be "everything" hot, tender, perfect, everything except now it seems their friendship is ruined. Nicole desperately wants things to go back to the way they were. But the kiss changed everything. (This novel is based off Melanie's short story, The Kiss, found in the teen anthology, Kissing.)**Note: This book also includes the short story, "More of His Kisses." • The story follows-up on Griffin and Ally from Melanie's book, HIS KISS. (*Note: The book "GRIFFIN" is now available for purchase, as well as the book, "HER Kiss (Griffin)" [which is Griffin's version of Melanie Marks' book, HIS Kiss] but read this book first. Then read "HER kiss" then read "Griffin.")*Note: Melanie's teen paranormal novel, A Demon's Kiss, is loosely based off this novel (High School Boys). So is her short story, The One, found in the teen paranormal anthology, So Hot For You. Both, A Demon's Kiss and The One, are paranormal stories. However, this novel is not.

Customer Reviews

So Miss Marks is a good writer. Her love stories keep you reading more and more and all the twists just keep you going too. I read "His Kiss" first and fell in love. So I figured I'd give this one ago about Nicole and Matt. (And the fact that there was more of his kiss at the end). It was cute. I enjoyed it... I just noticed a few things....1) the change of story telling. At one point its "has" and the next it's "had". She kept going into a present first person. Telling the story as it was happening that very moment.oh yeah and the miss-use of "forever".... God that irked me!2) high school boys and his kiss are very alike. Heart breaker bad boy falls for goody goody church going girl. Two boys one girl. Triangle galore. Someone gets sick and ppl end up in the hospital (lol). Guitars, journals, and song writing.3) am I just missing something or do ALL her stories revolve around each other. Why does one book have Nicole and Matt then another has Sara and her crush Matt (same Matt) then Sara Nicole and that other chick (I haven't read it yet but I think it's either her fake bf story or first kiss wars. *shrugs*)Anywho's. besides all this ramble. The story is cute. The characters are just as lovable as ally and griffin. And at least Ally and Nicole know who the best match is for them!

Okay... High School Boys is an interesting book. It has 1 full story and 2 other stories (one of them including the continuation of Ally & Griffin).Story #1: High School Boys:I really liked the first story. The first story was about a girl named Nicole who is best friends (since 6th grade) with Matt. There is also Justin Michaels. He is super HOT, he's on the football team and he's Nicole's crush. She kisses both guys in the same week! Now the million dollar question: Which would she choose? Would it be her best friend since the 6th grade Matt, or her crush Justin Michaels?? I enjoyed reading this novel. The ending though...I don't know if I exactly agree, but I'm happy for Nicole. The story needs to really continue because I'm left with SUCH A CLIFF HANGER!Story #2: Jeremy's Kiss:I just read this part of the book as I was writing the review because I skipped it before thinking it was a continuation to a story I haven't read yet. As I was reading it, I found it to be a bit weird...but I'm gonna read the full book, The Stranger Inside. It seems interesting. Fourteen year old (almost 15) Jodi is at her mother's wedding. Jodi's mother is marrying her new stepbrother, Jeremy's, father. What happens at the end of the sneak peak is shocking and is where the weird part comes in! If I say anything more I'm gonna ruin what I read. So moving on...Story #3: The Continuation of His

Kiss:I LOVED this book!! His Kiss I enjoyed reading. So when I heard about a continuation, I immediately bought this book (for that only reason). Everything is going well for Ally & Griffin (the Griff). Once she gets a picture she begins having doubts. Will Ally & Griffin break up?? What I really liked was the ending. Oh. My. Gosh. The ending was beautiful---it really touched me and made me tear up. I want this story to really continue. I want to see how everything is about 5 years from where the book left us off. I can't say anything more because it'll ruin the book...but I really, truly, appreciated the ending. I can't get over it! My favorite book from Ms. Melanie Marks: HIS KISS! She really needs to make His Kiss in to a full novel by itself or in to a series.My dislikes:- The author's grammar. A lot of people talk about her grammar and I never seemed to notice, but this time I did. It's really off.Overall High School Boys gets: 5 STARS!

This book is so well detailed and I even connected with the book -which I rarely do- And I actually cried a little was extremely happy at times and just over all I loved the characters in the book and the author. Please please make a second book to this book like where Nicole and Matt being engaged or something like that anyways I'm looking forward to reading other books written by Melanie marks I do believe that she is my all time favorite author now

I liked it. But I also read the dating deal and his kiss. I am getting a bit confused because story lines are similar: journals/hard drives being read by boys so they know the secret thoughts of the girls. I think some new ideas need to be implemented into stories I like them though, just getting books mixed up and confusing the history of the characters

You make the best books in the world. I'm not sure if Nicole and Matt are together but I'm pretty
sure that they are together.They are the best couple ever. They are made for each other. You need
like to need to write more about Nicole and Matt p-please please please please please please
please please please please please please please please please please please please please please
