# Captain Underpants And The Big, Bad Battle Of The Bionic Booger Boy, Part 2: The Revenge Of The Ridiculous Robo-Boogers

## **Synopsis**

The seventh book in Dav Pilkey's mega-bestselling Captain Underpants series. Now with super-cool foil covers! Shiny! Fun! Just when they thought they were out, it pulls them back in! Our heroes beat the Bionic Booger Boy, but they forgot about those rascally Robo-Boogers. Join George, Harold, Mr. Krupp, Melvin Sneedly, and Sulu the Bionic Hamster on an adventure that will take them into the deepest regions of outer space and back through time to the mysterious and uncharted world of the day before yesterday! It's a monster-mashin', robo-wranglin', time-travelin', brain-switchin', nose-pickin' good time!

## **Book Information**

Age Range: 7 - 10 years

Grade Level: 2 - 5

## **Customer Reviews**

Clearly one epic novel could never contain the hugely disgusting tale of the Bionic Booger Boy; it makes perfect sense that his story would spill out into Dav Pilkey's seventh epic novel in the Captain Underpants series, Captain Underpants and the Big, Bad Battle of the Bionic Booger Boy Part 2: The Revenge of the Ridiculous Robo-Boogers. It all started in the sixth epic novel when Melvin Sneedly, a nerd, invented a "combine-o-thingy" that morphed Melvin, a robot, and (accidentally) mucus from his sneeze and created the monstrous Bionic Booger Boy. Unfortunately, in the chaos that ensues, the school principal Mr. Krupp's brain switches to Melvin's body and vice

versa (making for a very unhappy school secretary). The diabolical Melvin becomes power-hungry when he realizes that he might be able to keep Mr. Krupp's Captain Underpants superpowers for himself! Can George and Harold stop Melvin from tyrannizing the school--and the world--in his new guise as principal and superhero? Pilkey's heavily illustrated books with comic-book inserts, "flip-o-rama" animation, and loads of gross-out humor are guaranteed to delight elementary-school boys. (Ages 8 and older) --Karin Snelson

Grade 3-6--This seventh title in the series is witty, fun, and full of adventure. George and Harold think everything is fine as the Robo-Boogers are jettisoned into space, but alas, a complication has occurred. Mr. Krupp, the principal, and Melvin have had their brains switched by the Combine-O-Tron, and they become known as Kruppy the Kid and Mr. Melvin. The Robo-Boogers miraculously return on a space shuttle as Miss Singerbrains, the school librarian, gets into the action by taking the Purple Potty from the basement of the library and Mr. Melvin turns it into a magical time machine (a whole other story). As Miss Singerbrains and the boys fly with their pet pterosaurs, the youngsters regain control of the Combine-O-Tron and the Forgetchamacallit 2000 and they ultimately restore Mr. Krupp and Melvin to their rightful selves. However, the switch does not restore Captain Underpants's powers. Then, just in the nick of time, George and Harold come through. The Purple Potty time machine, which is not supposed to be used two days in a row, awaits the boys, but they, of course, use it again, so the end of this story is just the beginning of the next adventure of Captain Underpants. With fast-paced action and humorous, kid-friendly artwork, this story is creative, imaginative, and truly boisterous.--JoAnn Jonas, Chula Vista Public Library, San Diego, CA

Engaging, fast moving and always brings laughter from my grandson. He is 6 years old reading at a third grade level because of the diverse library we have supplied since birth. Typically we purchase life-learning or scientific merit based books for educational and growth purposes but this series is one of his favorite. It keeps bringing him back for more. His first grade classmates love these books and can master them quite well. They are wholesome with great illustrations. They capture the children's attention and present stories about what children think and actually talk about in those naive, sweet growing years. Besides his entire "Captain Underpants" collection, my grandson also enjoys Mary Pope Osborne's "Magic Tree House" collections. He has all of them. If you want to inspire a child to read either of these fine authors collections will do it.

My 6 year old is obsessed with Dav Pilkey. He makes his own Captain Underpants comics and these books make us laugh. So far this is the grossest of them all however, a bit much for me, but it makes my son laugh out loud and keeps him interested in reading and drawing. I think it's more for 8 or 9 year olds so I am often telling my son what words mean, which is great because his vocabulary is expanding immensely. It's good to read them in order but not mandatory. I think these books are an incredible way to get little boys interested in reading. Smartly written yet filled with great jokes and pranks.

So my 4 year old loves these books ever since we saw the movie in theaters. It's gotten him interested in reading and I haven't heard him laugh so much as this series of books. It's very clever and has some jokes for older kids and adults (nothing too crude), but my MIL wanted to read a few after reading these to my oldest son. Just a heads up, since it's a chapter book, younger kids don't quite get the 'one more chapter... please!' doesn't work after you've read 5 chapters and they want to know what's going to happen.

My son absolutely loves Captain Underpants. He has read all 12 of the books that are out right now plus the activity books and art books that go along with the series. I will continue to buy him the new books as they come out and we are going to see the movie together. He was six when he started reading them and is 7 now. He is a bit of an advanced reader for his age but these would be somewhere in the neighborhood of 3rd grade reading level.

My 6 year old loves these books! Highly recommend (even though they do have some "poopy" talk - if he's interested when I'm reading them - I'm thrilled!)

I want to know what happened next when they got shocked by the purple potty. Mom says the booger bots were just disgusting.

I bought these books for my 6 year old grandson. He loves them! They are funny for the elementary set and well written. If you can laugh at potty humor your child will enjoy these books.

My kid loves it! He is not easy to convince to start reading. My husband suggested to let him read on my tablet. He finished a book in one day.
