Little Kids And Their Big Dogs

Synopsis

From hugely popular photographer Andy Seliverstov of St. Petersburg, Russia, comes this utterly charming collection of just what the title says – little kids and the big dogs they love. Through the prism of Seliverstov's magic lens, impossibly big dogs (Great Danes, Saint Bernards, Leonbergers, Newfoundlands, Irish Wolfhounds, to name a few) and some rare ones (like Komondors and Bracchi Italiani) telegraph the special relationships they have with the children in their lives. "In the end, I hope the photos convey this important message: Love for dogs and children makes people kinder," Seliverstov says. Also available: "Little Kids and Their Big Dogs" greeting card (<https://www..com/Little-Kids-Their-Big-Dogs/dp/B06XZPBQR2>) and -- coming very soon -- 2018 calendar.

Gorgeous photos. Pages 10/11 are just striking. Great printing. Tabletop worthy.

My wife and I thoroughly enjoyed this book. The pictures are great and gave us a giggle when we turned each page. There were many AHHs and HAHAAs when leafing through the book. Our niece did the same thing when she read it. :-)

If you like big dogs, you'll love this photography book.

I love this book!!~ Thanks for having it on ! I've purchased 2 copies now, one for myself, and one as a thank you gift to friends! The photos of the incredible dogs, and especially the love connection between these precious little children to their animals is enchanting. The photos are priceless!! Thanks to Mr Seliverstov for creating and marketing such an outstanding book! We love it!! Connie Willson

This is a wonderful book and makes a great gift for dog lovers.... or the lovers of kids. All of them are so very cute. The dogs are absolutely spectacular! They are gentle if raised well, and make great playmates for children.

This photographer captures great moments between large dogs and small children. There is movement & action. It's just great photography. Thanks for compiling this and sharing it. I was not disappointed.

Wonderful book. I have an Irish Wolfhound and do a lot of dog photography myself. The photos in the book are fascinating.

If you love dogs and children, this is the book for you! Beautiful pictures and you can feel the love all around.
